Coalition for Responsible Home Education

<https://responsiblehomeschooling.org/>

A national nonprofit organization that empowers homeschooled children by educating the public and advocating for child-centered, evidence-based policy and practices for families and professionals.

Khan Academy

<https://www.khanacademy.org/>

“Khan Academy offers practice exercises, instructional videos, and a personalized learning dashboard that empower learners to study at their own pace in and outside of the classroom. We tackle math, science, computing, history, art history, economics, and more, including K-14 and test preparation (SAT, Praxis, LSAT) content. We focus on skill mastery to help learners establish strong foundations, so there's no limit to what they can learn next!”
